

Are All Dance Studios the Same?

Here's why Dance Concepts is the right choice

| | Dance Concepts | Other Studios |
|--|-------------------------------------|--------------------------|
| Limited Class Sizes: <i>Smaller classes provide more individual attention allowing dancers to progress more quickly.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| No Surprise Fees: <i>A well organized dance studio will tell you up front about any extra costs such as costumes or recital fees.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Optional Competition Teams: <i>Ideally, a studio will make this opportunity available to dancers without pressuring students into competing.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| No required fundraisers: <i>If you're already selling candy bars for soccer and coupon books for school, the last thing you need is another fundraiser.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Clean music and modest costumes: <i>Age appropriate music and costumes keep dance classes fun and positive.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Raised Dance Floors: <i>For safety, dance classes should always be taught on raised floors. Dancing on tile, laminate, or concrete is dangerous to dancer's joints.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Beautiful, Complete Costumes: <i>Recital time should be fun and stress free. Don't get stuck sewing or altering your child's dance costume yourself.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Qualified Adult Instructors: <i>Feel confident in who's teaching your child. Insist on a adult instructor, even if your dancer is very young or a beginner.</i> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
